Crimes of Note

We have not received any reports of theft from vehicles, theft of vehicles or theft of pedal cycles for this month.

Burglaries

This month we received one report of a residential burglary and no business burglaries. A garage on Downs Park Crescent has been broken into by means of a wrench to lift the bottom of door in order to gain access. Four bikes have been stolen.

Here is some advice for Shed/Garage Burglaries:

- Place all tools and garden equipment in locked sheds and garages.
 - Keep the structure in good repair.
- Consider covering windows with curtains to obscure the view of the contents.
 - Consider external lighting
- Mark all items with postcode and record serial numbers. e.g. UV pens or forensic marking kits. Register the details for free on www.immobilise.com

Beat Surgery

We will be doing an online Beat Surgery on **Wednesday 21st October at 1800** on our Totton Police Facebook Page. Sergeant Mike will also be present for this surgery. This will be a good opportunity to ask us any questions you may have. Please note that we cannot comment on individuals or ongoing investigations.

We regularly post on our Totton Police Facebook page with updates and useful crime prevention advice, so please go and give us a like!
