Crimes of Note

Burglaries

This month we have received one report of a Business Burglary at AFC Totton, where unknown offenders have gained entry by causing damage to the padlock. They have stolen two lawn mowers and a backpack blower.

We have had no reports of residential burglaries.

Here is some crime prevention advice for business burglaries:

- High value stock should be stored within an inner secure cage when not required, and ensure this is protected by additional security systems such as monitored alarms, beams or tremor alarms when premises are unoccupied.
- Ensure CCTV systems are regularly serviced and periodically review the position of the cameras to ensure fixtures and fitting are not restricting the cameras view.
 - Exterior lighting can assist a criminal break into the premises. Therefore only leave on if it assists neighbouring properties or passers-by to keep an eye on your property.
 - Register assets, such as computers, tills, phone etc for free on www.immobilise.com this will assist the police in returning property to its rightful owner.

Vehicle Crime

This month we received no reports of theft from vehicles.

We have received one report of theft of a vehicle which was stolen from Calmore Industrial Estate by unknown means.

Here is some Crime Prevention Advice for vehicle crime:

- Upon locking your vehicle try your car door to ensure it is actually locked. (updated advice)
- Park your car in an attended car park.
- When parking at home, use your garage. If you don't have a garage, park in a well-lit area if possible.
- Don't leave anything on display in your vehicle.
- Leave the glove box open to show there's nothing inside.
- Fit an alarm or immobiliser to your car.

There have not been any reports of bike theft this month.

Covid-19 Breaches

Two males have been fined for Covid-19 breaches. Both males were sat outside the Saxon Inn drinking alcohol and listening to music. Males are in this location regularly and have been warned previously that they must stay at home unless for essential purposes.

Neither male had a reasonable excuse for being outside and so were both fined for breaching Covid-19 regulations.

We regularly post on our Totton Police Facebook page with updates and useful crime prevention advice, so please go and give us a like! There will be a Beat Surgery on our Facebook Page on **Wednesday 10th February at 1900hrs.**
